There are four ways to get to the Tokyo Gas Head Office building:

1. By the JR Yamanote or Keihin-Tohoku Line: 4 minutes walk from Hamamatsu-cho Station
Get off the train at the JR Hamamatsu-cho Station and take the **South Exit** up the stairs. Go through the ticket gate (**A**) and keep walking along the covered walkway. Turn left at (**B**) where the walkway leads to the entrance lobby (2nd floor) of the Tokyo Gas Head Office building.

2. By the Toei-Oedo or Toei-Asakusa Subway Line: 10 minutes walk from Daimon Station
From Daimon Station, walk through the 2nd floor of the World Trade Center to the JR Hamamatsu-cho Station and follow (1) above.

3. By the Yurikamome Line: 5 minutes walk from Takeshiba Station
From Takeshiba Station, take the stairs to street level, and go straight towards the direction of Hinode-Station. Turn Right and cross Kaigan Avenue at the crosswalk and walk toward the TG building. The ground floor entrance is located at the left side of the building.

4. By car/bus
Take Kaigan Avenue, which runs right next to the Tokyo Gas Head Office building.
